“ I am so sad to hear of Cindy's passing. I worked alongside Cindy for many years at the Long Island State veterans home. She was a great partner to work with and a good friend . She loved talking with the residents about their lives and any problems they might be having. She was so kind and compassionate which is why the residents loved and respected her. Cindy had a great sense of humor and loved to laugh. She will surely be missed. I know she is in heaven now with the Angels because she was an angel. Rest In Peace my friend.
