

## Daryl George Patterson

February 1, 2019

It is with great sadness the we announce, that after courageously battling cancer for almost 2 years, Daryl Patterson passed away February 1, 2019. Throughout his battle Daryl never let this disease define him and always maintained a positive attitude right to the end and lived his life to the fullest.

Daryl grew up in Saskatoon Saskatchewan Canada. He graduated from the University of Saskatchewan in 1988 and earned his MBA from Queens University, Kingston Ontario in 1992. Daryl's 22 year career with Bank of America started in Calgary Alberta in 1992 and spent 18 years in Charlotte, North Carolina. In 2015 he joined 5/3 Bank as Chief Credit Officer, Executive Vice President. Daryl's leadership style was firm but kind with a great sense of "Daryl" humor.

Daryl valued a close relationship with his mother Valerie, father Caron (Pat), brothers Garth and Blair, sister Gail, and their families as well as his in-laws.

His true two loves were his wife of 30 years, Kelly and son Nolan. Together they built a life of traveling, enjoying a glass of wine by the fire and going to their new beautiful mountain home in Cashiers, North Carolina with their dogs.

Daryl travelled the world, looked forward to every NFL season, rode motorcycles and enjoyed hitting the craps tables in Vegas with his buddies.

Daryl believed it's all about quality of life and finding a happy balance between work, friends and family. He was known for his dry sense of humor and his caring personality. He was the best husband and father anyone could ask for.

Daryl will be fondly remembered by family, friends and colleagues.

A Celebration of Daryl's life will be held Sunday March 3, 2019 from 12 pm - 4 pm at the South Charlotte Banquet Center, 9009 Bryant Farms Rd, Charlotte, NC 28277

Giving back was important to him so memorials may be made to the charity of your choice.

“ Kelly and Nolan,  
Our family is so saddened to learn of the loss of Daryl. While we only met Daryl a few brief times when bumping into you guys out in Waxhaw, we instantly felt so at ease in conversation, like we've known him forever. No doubt of the positive impact Daryl had on everyone he knew. May the love of friends and family be of comfort to you both during this difficult time and the beautiful memories shared by all be a testament

to what an amazing man he is.  
All of our love, The Canale Family

“ Daryl was my first mentor. Impossible to forget his great attitude and energy when visiting Brazil for the first time in 2009. He gave me several personal advices and he certainly influenced two of my promotions.  
Funny story: we took him to a soccer bar that was completely empty. Hope he kept the Brazilian shirt we gave him.  
He was the first one to advise me about the comfort zone trap. A concept I remember

and have shares with every and each tem member that worked with me. Daryl was a great example of professional ready to take personal risks and brilliant manager. I will be eternally thankful and feel literally honored by the opportunity to learn and be mentored by him. Can't express in words the happiness of having met him in Charlotte in June 2015 (if not mistaken) for a lunch before his usual trip to Cincinnati on the following day.

We remembered the old times and he talked about the challenges on 53rd Bank. He gave me a lot of opportunities and trusted me since the very first day we met. My heart is in peace as I had that opportunity to personally thank him for everything he did to me.

My deepest condolences to the family.

from a Brazilian friend.

“ I met Daryl for the first time three years ago when he recruited me to join Fifth Third. From our first meeting it was clear that Daryl was a very special person. His ability to immediately build a connection with people was amazing and his true interest in people's lives will be something I will never forget.

I consider him a friend and a mentor and he will be deeply missed.
