“ David loved to teach the Bible and during the time of our small group from Elevation, we frequently had the group over to our house for fellowship and meetings. That involved cleaning up and getting the house ready for company. David would prepare the meat (usually grilled chicken, pork chops or hamburgers) and other families would bring the sides and desserts. He spent hours preparing the lesson and really had a knack for doing a great job. He will be missed greatly.

“ David. was a dear friend of mine who i got to know threw Calvary Church Singles group in the early 1980's. He rented a room in my house and we became good friends. He and I were quite involved in the Calvary Church Singles group. He became one of my closest friends and I liked his enthusiasm for life and his love for God. He was a most generous ,helpful and faithful friend.. The very best to the family during this time, Michael Tarillion

“ David loved to play drums for the Pilgrimages. He would spend hours practicing and you could hear the joy he felt when he did. He liked to be buttoned up and ready for anything. I miss him, but I know he's serving Jesus and enjoying the reunion with his parents and grandparents and all who have gone on before him. So many people he loved!
