“ Lori, Todd and Troy, so sorry you must say good bye to your mom for a time, I just want you to know how important your folks were to Grenora. First of all they were so loved. Donna Mae was a very pretty, active, intelligent senior in high school when I came to Grenora as a freshman. I remember her as a cheerleader! That she was for all of us, not just the athletes. There are not many of that era left so rest assured there were many, many friends from Grenora there to greet her. Do you have the book that tell of your grandparents life in Grenora? “ I am so sorry to hear that your mother has passed away. Mrs. Donna Urness was my third and fourth grade teacher at Westby, Montana in the early 1950's. She was so beautiful inside and out. All the kids loved her. She was a great teacher and I credit her for giving me the tools to excel in school and go on to become the valedictorian of my high school class and also the top of the class in business college. She and your dad were such a handsome couple.

“ I didn't get to know your Mom until after she had moved from Grenora. We were having a reunion here in Grenora and she graciously offered us her house to store clothes in until the big day came for the program. She was the most gracious lady. Beautiful inside and out. My sympathies to all of you. Grenora has fond memories of your Mom.
