“ It was always a joy when Mrs. Greene came in for her appointments. I LOVED her. Best patient ever. She never had any complaints and attitude ALWAYS positive. We laughed every time and she was the only one allowed to call Dani D. I will really miss her. Just a beautiful and happy soul.

“ Dear Mark and family,  
I am truly saddened to hear of your mom, Doris's passing. I will always remember her for her kind smiles, laughter, and delightful chatter with her friends. My folks, Bob and Judie Rogers, used to host Christmas Eve parties for friends and neighbors in Raintree. I'll always remember the fun chatter and laughter of all those people and the time you helped me deliver a Gingerbread scene I made to a local hospital. Cherish the good memories. I pray for God's Divine love, peace and comfort to surround you.  
Sincerely,

“ Dear Mark, Charla and Snuggles,

No doubt you are going to miss Ms. Doris. We all will miss her. What a wonderful lady she was! Always kind, funny, interested, loving, and friendly. Doris was a great cook and very beautiful...no doubt why Uncle Norm loved her! As a little girl, I always recall her love of being a dental hygienist, having cabinets filled with beauty products and make-up, always looking fashionable and wearing her charm bracelets. I will miss her also. Love!

“ Dear Snuggles,  
Vic and I are so very sorry for the loss of Doris. We are grateful to have spent time with her at your house drinking cocktails and eating appetizers. It was pleasant to listen to her stories. You and your family are in our thoughts and prayers at this sad time.

“ Dear Mark,  
I am so sorry for your loss! Our families spent a lot of time together when we were kids and I was always so impressed by your mom. From my child view, she was always dressed up- complete with makeup and high heels. Your house was always neat and clean, which I now know was a lot of work on a daily basis! As kids, we used to roll our eyes when she stopped by the kid's dinner table, even when we were in middle school, to encourage you to eat. I can hear her voice telling you how good the food would be. Now that I am an adult, I realize that she never missed an opportunity to see if you needed anything. It was her way of connecting with you and letting you know she cared and loved you. Those years as well as your mom and your dad hold a special place in my heart. My condolences to both you and Charla.
