“ Dean was a great guy. I remember him not only from playing football with him at Sun Valley but talking with him on Facebook. in the last year he shared a lot of pics from the old days that were good to see. He was very soft spoken and a super likeable person, and a great Christian that always had something positive to say. Dean I will miss you but I know you are with the Lord now and in no pain. May the Lord bless your family and ease their pain at this time. I will miss you my brother n Christ.

“ Dean was such a sweet soul, much like his dear mother, Dot. I've known Dean my entire life, and I remember him to be a very humble person who truly loved the Lord. He lived his life reflecting God's love. Although he met many trials with his health in the latter years, he was very gracious and thankful for every blessing given him by God, despite those trials. My heart simply aches for Teresa, his wife, for they spent the great majority of life together, as they were high school sweethearts. May God grant all of you the comfort and peace that only He can. Trust Him, Mullis family.

“ I always looked up to cousin Dean growing up. He was about five years older than me and as a young kid he was one of the older kids to me. He was one of the school patrols when I was in the first grade and was proud that he was my big cousin. As he grew up he went on to play football and wrestled in High school. I knew how hard he worked at it and was always happy to talk to me about it. He was a good role model and will be missed.

“ Tim Mullis and myself- Chris Irving - remember Dean in so many ways. Yet remember Dean trying to help us with the Deck for our camper when we were moving the camper. HE SAID “ just put the deck on top the camper and go down the road with it “ was a good idea Dean if we could do that - yet we all decided that wouldn't work. Gave us all a good laugh. Miss him so much.
