Enid Ruth Bruton, age 88, passed away peacefully in Matthews, NC on August 3, 2022. Enid was born on September 21, 1933 in Bonifay, FL to the late Hobson and Bernice Driver.

Enid graduated from Andrew Jackson High School in Jacksonville, FL. At age 18 she met the love of her life, Jim Bruton, and they married on March 13, 1953, when she was 19 years old. Enid and Jim shared a solid, wonderful and exciting marriage of 33 years before Jim's passing. Enid's husband had a love of flying and he took a career path in the direction of flying. Together, Enid and Jim became the founders of a Flight School. Enid was incredible with her magical intricacy in weaving the internal structure of their founded Flight School, as she was incredible at crossing all of the t's and dotting all of the i's that kept the administrative structure of their business to flow ever so smoothly; Enid's accuracy allowed her husband to do what he did best, to be the flight instructor. Enid and Jim were a perfect match in all senses of their shared life together.

Through her life's career, outside of their Flight School, she worked for Prudential Insurance Company, she also volunteered at Blue Cross, and she took great pride as a homemaker in keeping a lovely home. As well as, she was the project manager on two custom built lakefront homes that she and her husband built and resided in.

Although Enid was quiet in her nature, if she felt something was of great importance one would witness her courageous and pioneering spirit, and outspoken voice of wisdom and

reason rise to the surface and take a stand for what she felt was right or correct. She was fiercely loyal to her family and friends and she loved them with great tenacity and integrity. Enid lived a wonderful life of curiosity about everything as she had such an incredibly sharp intellect with a broad knowledge of people and of the world. Conversations with Enid were never lacking with her great knowledge.

Some of Enid's favorite pastimes included her love of golf, art from painting, drawing and sculpting, as well as landscape design and creation. She had an incredible eye for the arts and all things beautiful.

Enid was a very spiritual person by right of her authenticity and integrity. She also greatly loved dogs, especially the Akita breed, and all wild animals, and she had a real soft spot in her heart for squirrels.

She is preceded in death by her beloved husband, Jim, and she is survived by her son, Jim Bruton, Jr., her daughter, Susann Daniels, granddaughter, Fionna Comerford, and her grandsons, Tarl Bruton, and Jordan Daniels.
