Erin Elizabeth Green-Mautone, 46, Matthews, N.C., known by her husband, John as Honey, passed away on Tuesday, October 19, 2021 at Novant Main. Erin was born on May 11, 1975 in Pasadena, California to mother Karen Hinkel and father James Green, who was awaiting her arrival in Heaven.

During her younger years, while living in Pasadena, Erin was proud to be Snow White at Disneyland in Anaheim. Her beautiful smile, vivacious personality and love for life made her the perfect lady for this character. She went on to obtain a Bachelor's Degree at Gonzaga University and then went on to begin her career in Finance at Citi. Erin was extremely motivated, worked hard, and it was apparent at her jobs at Wells Fargo, JP Morgan and where she last worked as Managing Director at Accenture. Travelling with her jobs was exciting for Erin and she visited many beautiful places.

Erin was married to the love of her life, John Mautone, for 12 wonderfully fun-filled years. Together they have two loving sons, Aidan 11 years and Dylan 9 years. As a family, they loved the beach where they found solice and peace, sailing, horseback riding and skiing were some of her favorite pastimes. She enjoyed, most of all, watching Aidan and Dylan play baseball with their friends. Erin never met a stranger and welcomed everyone she met to experience her zest for life. Erin was blessed to live in a great neighborhood, surrounded by many friends where socializing and sharing life was important. The "family" of students and teachers at The Latin school also have become treasured friends. Her family will remember her as an amazing wife and friend and loving mother.

In addition to her husband, John and sons Aidan and Dylan, and her mother Karen, Erin is

survived by her brother Darryl Hast and several brothers and sisters in law. Her cats Murphy and Bailey and dog Teddy will miss all the loving given to them by Erin. Many extended family and friends will cherish always the memories that had with Erin.

Services will be held on Monday, October 25, 2021 at 11:00 a.m. with the family receiving family and friends from 10 – 11 all at the Heritage Funeral Home – Weddington Chapel, 3700 Forest Lawn Drive, Matthews, NC 28104. Burial will follow at Forest Lawn East Cemetery across the street.

“ I love how Erin was featured in so many Halloween costumes. She LOVED Halloween and it's only fitting. I also loved seeing all the pictures with her boys. She REALLY loved being a mom and the freedom it gave her to live life through their eyes, adventures, and lessons. What a friend.

“ Erin was special person who will be deeply missed. I worked with her at Well Fargo and she was always very supportive. Erin visited my lake home on Sugar Lake in Minnesota, and I was impressed with her water skiing and positive energy. My condolences to her family.

“ Erin, I literally cannot believe that you're gone. We shared so much together including wedding planning, two pregnancies, the joy and fear of being new moms...I wouldn't have made it through some of those times without you to laugh with. I am absolutely heartbroken for Aiden, Dylan, and John - I know you were the light of their lives and the only comfort is that I know you will continue to be a presence in their daily lives - Tiger Mama wouldn't have it any other way! I love you, and I will miss you, and I hope to see you again someday. All of my love to your family and to everyone grieving your loss.

“ Erin had one of the best smiles I knew. She was a customer of mine at Estancia 460 and always a breath of fresh air when she came through the door. I knew John because he had a restaurant down the road and we had great lunches together, pow wowing about the biz.  
I met them independently and when I found out that they were a couple I was thrilled. What a great pair!  
I am so sad and sorry for yours and your families loss but so glad she was in your life and I am glad I got to be around her sunshine!

“ I was so very sorry to hear Erin passed away. She was so kind and such an advocate for everyone she knew. If by off chance you did Erin a favor she repaid it a hundred fold. Her positivity and generosity were endless. I knew her for only a short time but I'm so glad I did. I will miss her. Much love to her husband and boys
