

Fritz Tim Schulte

November 17, 1988 - April 10, 2020

Fritz Tim Schulte of Charlotte passed away unexpectedly Friday afternoon, April 10, 2020. Tim was the son of Mr. and Mrs. Fritz Schulte, also of Charlotte. Tim was born on November 17, 1988 in Charlotte, NC.

In addition to his parents Fritz and Annette, Tim is survived by a sister, Nina J. Schulte, of Charlotte. He also is survived by numerous aunts, uncles, and cousins, as well as many dear friends.

Tim was a graduate of Charlotte Country Day School where he was a member of the Tennis team. Tim attended the University of Mississippi, "Ole Miss", where he studied Hospitality Management.

He thoroughly enjoyed the many times he was able to visit his extended family in Germany and was very fond of all the memories he was able to make in our family's home country.

Tim greatly loved the culinary arts, music, and the outdoors; playing disc golf was his ultimate passion.

Tim was an incredibly friendly and caring individual who never met a stranger. He possessed an infectious smile, charm, and wit. He loved his family members, and they will miss him dearly.

A Celebration of Life will be held at a later time for family, friends and associates, once circumstances allow us to all gather in his loving memory.

Contributions in Tim's memory can be made to The Brain and Behavior Research Foundation, 747 Third Ave., Third Floor, New York, NY 10017, a 501(c)3 non-profit organization.

Arrangements are in care of Heritage Funeral Home, Ballantyne Chapel. Online condolences may be left at www.heritagecares.com

“ My sweet Fritz. We worked together for a few years and shared so many happy memories. The last time I saw him, he came over for dinner. We laughed and hugged and just loved each other. You are such a good friend, Tim. I love you very much and I pray that you are free and smiling. Until we can hug again, I'll honor your memory. Love you, sweet boy.

“ I didn't know Tim but rather only met him a handful of times. I could tell immediately that he was a genuine, thoughtful person who had others well being and happiness in mind. He acted like he knew me forever although we had only met several times. Very sorry to all who knew him and shared life with him. His friends and his family. His memory will remain, even in the far out satellite areas of simple acquaintances like myself. I'll remember his attitude towards others and his genuine nature, trying to maybe let a bit of it rub off onto myself and know it's the best way to be. Again, my love goes out to his family and friends. Very, truly, sorry.
