“ Gary will surely be missed. I am so thankful that I had the opportunity to be here for him and to really get to know the kind of person he truly was. He was a caring, loving, and kind soul. He loved old people, he once said that was his favorite kind of people. He was trustworthy and a hard worker. Took pride in his meat cutting. Gary I love you so much I just wish I could have gotten to you sooner. You will live in my heart forever you were like a son to me instead of a brother. Rest in Peace now nothing hurts anymore, your heart is good, you can breath without stopping to rest, your foot has feeling in it I know you have been given a great new body and a wonderful large loving heart.

Your loving Sister
Devonne
