

Irina Antonovna Kravchenko

January 30, 1966 - June 25, 2020

Irina Kravchenko, 54, of Charlotte, North Carolina, went to be with the Lord on June 25, 2020, at home surrounded by her family.

Irina was born on January 30, 1966, in Russia, 5th child in a family of 8 siblings total. She moved to the United States in 1995 to reunite with the rest of her family. In 1998, she had her only child, Diana, whom she raised alone from day one, fighting through many obstacles of being a single mom.

She was a member of First Slavic Baptist Church where she had many friends and was loved by many.

She was diagnosed with breast cancer in 2011. After going through chemotherapy and radiation, she was free of the cancer in 2015. Unfortunate news came at the beginning of 2018, when she was diagnosed with breast cancer again, which later metastasized to the bones. She put up a good fight, but unfortunately the cancer spread throughout her body. Throughout the pain and all the discomfort, she worked and stayed independent until she could not handle it any more.

Irina had to stop working earlier this year to go through multiple treatments and many frequent doctor and hospital visits.

In the last couple of months, Diana took her mom into her house and was by Irina's bedside at the time of her departure.

Please keep Diana and the rest of Irina's family in your prayers first and foremost.
