

James McIver Hill III

October 9, 1979 - April 20, 2021

James M. Hill III
Of Charlotte

This family builds for the future, and our son complimented that mission. Fighting Schizophrenia for 28 years, and accomplished so much. He was well recognized riding his mountain bike in the Park Road Shopping Center, South Park, Freedom Park and Dilworth areas. From the age of 15 riding his bike to Fenwick's for work, he will forever be known as the "Bike Man". Later on, he was the proverbial "Lawn Boy" around South Park. What a business he had, making many friends and leaving impressions wherever he went.

Jimmy's real love in this world was centered around family and nature. If Jimmy saw someone not feeding the birds or not helping an animal in need, you would get a lecture. He found much beauty in trees, flowers, and taking care of his plants. Family trips to the Blue Ridge Parkway with some trout fishing was a pinnacle moment for Jimmy. He was God's greatest ambassador when it came to beautifying our planet!

The rain and ensuing rainbows excited him to no end.

The Sunday before Calvary Church sanctuary opened for the first service in December of 1989, Jimmy and his sister Charlotte worked on the youth cleaning team to polish the pews and ready the church for opening. He gave his soul to God at Calvary Church under Dr. Ross Rhoads. Two years later, he was diagnosed with Undifferentiated Schizophrenia. God had a plan for my son and Jimmy carried it out with vigor. He attended Sharon Elementary, as did his sister Charlotte and brother, Timmy and Chris. He attended Alexander Graham Junior High School.

To help save others, Jimmy was an organ donor.

Jimmy's heart and soul will be with us forever. Look to nature and the blue Heavens above. He's there with us! To "God be the Glory".

A memorial service to honor his life will be held at Wing Haven on June 12th at 11am.
