“ Lisa was truly an angelic soul. So innocent and pure of heart in all she did. We will love and miss her always. Though we saw her rarely, it was as though no time had passed. Our hearts go out to Jessica, and her family. Gone too soon.
With all our love,
Karen and Theresa Pollice

“ Forever in our hearts, she was a great wife and mother and cherished Bobby and Jessica so much. I remember them driving up to RI and spending time at our campground years ago when Jessica's was a youngster. Our lives will forever be touched by the memories of Bobby playing his guitar and Lisa making her Mexican salsa. Jessica please reach out if you ever need us we love you and wish you strength in the coming days. Love the Bragiel family

“ I am so sorry to hear of Lisa's passing. Lisa and Robert were patients of mine for years. When I saw Robert, he always had something positive to say about Lisa and Jessica. When I saw Lisa, before and after Robert's passing, she would always shine a light on Robert and Jessica. It was evident to me that Lisa had a huge heart. I will miss seeing her come in with her perfect hair and beautiful skin. Despite her physical pain and emotional pain, she was respectful and pleasant to everyone. I am heartbroken for her family and friends.

“ I met Lisa through a grief support group. She hurt so much after Robert passed. She would still try to smile. I will miss her immensely. My friend, my sister in Christ. Our Lifegroup class will miss her too. She did have the best hair ever and a heart for others.

“ I only saw Lisa when Jessica was a baby. She and Bobbie came to MA to show Bobbie's dad his first granddaughter, Jessica. I've been in touch with her since Bobbie got sick and we shared our pain over our loss of our husbands. I wish that I had the chance to see her again. She was a strong woman with a beautiful soul. May her memory be a blessing. Mrs. Robert G. Nash Sr. (Faith)
