“ We were so sad to hear about Mary Anne. We were neighbors for many years and loved her and Phil. A true southern lady with class and style. Even though we moved from the area, we will always have wonderful memories of this special lady. We are so sorry for your loss.

“ We were saddened to hear that Mary Anne had died. She was a beloved customer at our store and to us she was the quintessential southern lady. I will miss her smiling face and the friendship we all formed with her over the years. David and Debbie Hayes and staff, Consignment 1st, Inc.

“ Mary Anne was very helpful to me at Sleepy Poet. First I was her customer and she was so friendly and always talked with me. Once I became a dealer (Jazzy Poet) she encouraged me and helped me with pricing and other tips. I remember her as a very kind caring woman who loved her family. I will be praying for her family. - Susi R

“ Mary Anne lit up any room she walked into. Every time she walked into our office she hugged me as if I was one of her granddaughters. She would stay and chat with our office staff, adored Dr. Lucas and showed off her children, grand children and her precious great-grands as she always called them. Her face lit up when she talked about her husband and family! We would talk about her visits to NYC and how much she loved going to visit! Mary Anne will be greatly missed by our office! We send our condolences to the whole family as we know she will be greatly missed. ~Jarrelle
