“ Nancy was my sweet neighbor for 17 years. She was always puttering around in her garden, sharing her successes. Her patio garden was much like the secret garden, a little of everything so artfully planted. Nancy's azaleas were the jewel in her garden crown. I recall a Christmas get together that I hosted. Nancy brought the most beautiful tray of assorted delicious homemade cookies. My son praised her so heartily, that he won a place in her cookie giveaways for as long as she was able to stir up some magic. I saw through this her deep affection for sons. She could not have had a more devoted son and daughter in law than Randy and Michelle. She blessed us with her presence, but she was also blessed with her family. I will miss her mischievous dry wit, and her thoughtful ways. Now she officially has her wings.

“ Nancy was my dear neighbor for over 15 years and I was truly blessed to know her. It was a pure delight to see her smiling face and how much happiness it brought her to work in her garden. Often when I got home from work, I found a little bag at my door with a sweet note and a wonderful cookie or two or muffins. Nancy knew how to bake! I so appreciated her generosity and kindness and will value our time together forever.
Nancy was a sweet soul and kindhearted lady, not to mention a dream neighbor. I will miss her and she will always have a special place in my heart.

“ I was so blessed to be Ms. Nancy's stylist . She always knew how to make me smile and I always stood in amazement how she carried herself. I was lucky enough to be the recipient of her baking and will always be thankful for her kindness .. Thank you Randy for being such a great son and bringing her to the shop and Michele she would always show me your picture because she loved your hair . So grateful for the time we had .. Praying for peace for everyone that was blessed to know her .
