

Nancy Campbell Tobin

August 13, 1940 - March 25, 2020

Nancy Campbell Tobin passed away peacefully in her home in Charlotte, NC on March 25, 2020. She is now in the eternal comfort of the Lord and reunited with her husband Jack.

She was born in Pensacola, FL and is survived by her sons Mark and Michael, their wives Beatriz and Maria, her grandson Andrew, and siblings Hargis and Fred. She treasured the relationships with her nieces, nephews and friends that evolved and grew throughout her lifetime.

Nancy was a mother, grandmother and the wife of a career Army officer. She was the glue who kept her family intact throughout eighteen relocations and military assignments. The two most important aspects of her life were faith and family. She was an active member of St. Matthew Catholic Church and involved in many service oriented ministries, such as Mel's Diner preparing food for the homeless. She enjoyed playing bridge with her friends. As her sons became older, she engaged in various professional pursuits including real estate agent, bookkeeper and administrative assistant. She was meticulous in her work and known for the warmth and sincerity she brought to her professional relationships.

The measure of anyone's life is how they impact others. The messages the family has received since Nancy's passing include consistent themes of faith, humility, generosity, caring, insight, and a sharp wit. As a family, we are humbled by how many people who have responded to the news of her passing with the most powerful words, "We love her."

We are hopeful for a ceremony in the summer to honor Nancy's life. If you would like to be informed when this occurs, please respond to: mark@thetobincompany.com.

Family is in the care of Heritage Funeral Home, Weddington Chapel. Online condolences may be made at www.heritagecares.com.

“ Nancy and I spent a lot of time together growing up. She lived a few blocks from me and we went to school together from elementary school through high school. We were good friends. Sixty years ago, when I married my husband, she was my Maid of Honor. She was very pleasant to be with. Here is an excerpt from the class poem that was written in 1958 that reflects the feelings of her classmates back then:
Nancy Campbell's Chevy is seen all around,
And cuter driver would never be found;
She's known especially for her interesting speeches,
And the fact that she practices what she preaches.
I am sure she was an inspiration to everyone who knew her and loved by all.
We know she will be missed.
We will be praying for your family.
With our deepest sympathy,
Nancy and David Payne

“ I met Nancy while we were doing a lung rehab program in Matthews in 2019. We clicked from the start.
I so enjoyed her quick wit and love of her family. Talking to her on the phone was always a positive thingI felt like I knew her family even though I had never had a chance to meet Mark and Michael and their wives
We talked of my sister with Alzheimer's , her name is Nancy as well . Always asked if there was anything she could do...

Nancy was a gracious lady, that I will forever hold her in my heart. She will wear her wings with pride and well deserved
