"5 Let your gentleness be evident to all. The Lord is near. 6 Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. 7 And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." ~Philippians 4:5-7~ NIV

“ My heart is sad for the loss of our sweet Naomi and my prayers are with you Jerry.

I have so many wonderful memories of the years we spent together in North Carolina from the first time we all met when we move next-door to each other... You from the Chicago/Indiana area and me from California... It was friends from the start - dinners and game nights, travels to Myrtle Beach, Atlanta and to the mountains to hear gospel on the mount and so much more. Going through hurricane Hugo together. Sundays at Calvary Church where we would volunteer to help out in the kitchen when they had their big dinners, we always made it a fun time.

Celebrating our birthdays together year after year... Hers, September 12 mine, the 14th.

Even when I move back to California we continue to keep in touch and replay all the fun times we had together over and over. I couldn't have asked for a better friend in life and expect to continue that when we're together again.

I love you Naomi and I'll miss you here but I know God will bring us back together someday. My grief is only tempered with the fact that you are in his loving arms.

*My old work pal at the Calvary Church office for many years. We had some great times poking fun at each other. I used to put her age in giant black letters in a group birthday card. Boy, did she ever get revenge on my 40th! Flyers announcing my age all over the church galleria, elevators, etc. And helping to plan an actual funeral service at Shun Lee Palace. I have really fond memories of our working together! I just regret not taking the time to visit her in Rock Hill. We'll do coffee in a better place!*
