

## Regina Rae Coffey

October 30, 1969 - January 6, 2020

Regina Rae Coffey, 50, of Canton Ga passed away on January 6th 2020. She was born on October 30th 1969 to Mary and Joe Nettles. She is survived by her children Spencer, Riley, and Kyra Coffey, as well as Chassity Sandifer and Jake Callison. Gina was a talented artist and writer and inspired many people with her paintings and writings. She has accomplished so much in her life but I know her biggest pride and joy were her children. She was a very loving and devoted mother to all 5 of us. She fought a long and tough battle with cancer and became a hero to everyone around her for how strong she remained in her faith. She was there for us through all the treatment, radiation, chemo, surgeries, and fought until the end. She was our hero.

A memorial service to celebrate Gina's life will be held at 2 pm on Saturday January 11th at Heritage Funeral Home Indian Trail Chapel. The family will begin to receive friends at 1pm

“ I met Gina through her youngest sister, Keela, Nanny, and their mom years and years ago. I can write a book about how Keela and I looked up to our sisters throughour our younger years and being teenagers. I did not chat with Gina much, and her only child I met was Chasity. She wasn't a year old yet, so, I don't know that it counts for much... i still think of Gina as family as I think of Keela as a sister. Gina is beautiful, smart, giving and caring. She loves her children, family and friends, and I'm sooo thankful I was lucky to have her as my friend. I will never forget her. RIP  
Gina
