“ I am so sorry to hear of Sal’s passing. I worked with Sal at Hackensack High. He was always pleasant and cheerful and we enjoyed chatting while walking in from the parking lot in the morning - or out at the end of a day. Sal spent the last months of his career at Hackensack working in the school library with me. He was kind, helpful and generous. One day he brought me a bottle of his homemade wine. My prayers and condolences go out to Donna and the family. May the fact that he is at peace and happy memories of better times sustain you all.
