“ My thoughts and prayers are with the family Sharon was a great person. She and I went to nursing school together and worked off anon many years at Noble Hospital. She had an awesome attitude and a rolling her eyes sometimes when you deserved it specially if you asked a silly question. Sharon was a wonderful person and awesome giver and always friendly. She had a laugh to her that kind of almost sarcastic at times. Sharon was taken too young. She had so much more to share.she will be missed by all that knew her.

“ Bill,I am so sorry to hear about Sharon! She and I used to car pool together to go over to STCC...worked together for a short time at Noble too. I used to love running into her somewhere and we would catch up with each other's lives..we exchanged Christmas cards over the years,and always included a note as to what we were up to...she was a good friend,smart as a whip,fun to hang out with, and a really good nurse...I am glad she was in my life..."she will be missed

“ Worked at Noble when Sharon did. Received a few transfers from 2 North to ICU from her. She was an attentive and caring nurse.

I wish you and your family peace and strength in the coming weeks and months.

I am truly sorry for your loss.
