“ April 2022

I will always remember the kindness of both Ms. Virginia Weems and that of her dear family as well. I was told I was her first caregiver from Home Instead and I very much enjoyed helping her on Tuesdays and Thursdays. She reminded me of my paternal grandmother from Canada. My time with her lasted about eight months, giving her family a few hours of occasional respite. She had a loving smile and carried about her an air of grace, wisdom and acceptance. The sweet, family dog "Beau" could often be found laying dutifully by her bedside. Her daughter Virginia Ann, son-in-law Lonnie and grandson Jeremy provided her with the utmost love and care, as did some wonderful people from Spartanburg Regional Hospice.

Virginia did have a sense of humor. She enjoyed looking out the window at the lovely yard and activities of family, dog and neighbors. I remember her joyful face one day when she exclaimed, "Oooh my! Look at that huge gum ball!" when a neighbor's blue exercise/yoga ball blew up to the bordering fence. :>)

The weather was so lovely on the Spring morning she passed. I believe when the window was opened on that beautiful morning, she couldn't resist and was ready to fly to her heavenly home.

Rest in peace forevermore Ms. Virginia.

It sure was an honor to know you!

Kindly,
